La Lumiere School Invites Prospective Students to Visit Campus

La Porte, Ind. – October 7, 2009 – La Lumiere School invites prospective students and their parents to visit campus on October 17, 2009. Guests will receive a guided tour of campus; experience a “mini” class day; meet with faculty members and current students; and conclude the visit with a panel Question & Answer session and reception in the school library.

“La Lumiere’s Fall Open House is a wonderful time to visit campus and find out what a day in the life of a La Lumiere student is like. Finding the right school is a careful process of discovery. Visiting campus, meeting faculty and students, and experiencing classes will help you discover if La Lumiere is the right fit for you.” said Mary O’Malley, Director of Admission.

Great things are happening at La Lumiere School. La Lumiere is celebrating a fourth year of record enrollment; with 190 students, expanded dining facilities and the construction of a new state-of-the-art Science Center under way.

The informative program begins at 11 a.m., includes lunch, and finishes at approximately 3 p.m. **Registration is required.** Please call 219.326.7450 or reserve your spot today at admissions@lalumiere.org.
